\*\*Deposit equal to sales tax required. The credit card is issued by Wells Fargo Bank, N.A., an Equal Housing Lender. Special terms for up to 48 months apply to qualifying purchases charged with approved credit. Minimum monthly payments are required during the promotional (special terms) period. Interest will be charged to your account from the purchase date at the APR form Purchases if the purchase balance is not paid in full within the promotional period. Paying only the minimum monthly payment will not pay off the purchase balance before the end of the promotional period. For new accounts, the APR for Purchases is 28.99%. If the purchase balance is not paid in full at the end of the promotional period, the remaining purchase balance will be transferred to the regular balance. The monthly payment on the regular balance may be more than the monthly payment during the promotional period. If you are charged interest in any billing cycle, the minimum interest charge will be \$1.00. This information is accurate as of 03/01/2024 and is subject to change.
