^Not combinable with other offers and discounts. If any down payment is required, the qualifying purchase amount is determined prior to any down payment, taxes or delivery. See a sales associate for details on required down payment. Qualifying purchase amount must be on one receipt. No minimum purchase required. A promo fee, equal to 2% of the amount financed at time of purchase, will be shown as a separate transaction on your billing statement and included in the balance subject to this promo. Any taxes, delivery, or other charges included in the amount financed will increase the related promo fee and the required monthly payments. For example, a \$950 purchase with \$50 in taxes and shipping costs, will be charged a promo fee equal to \$20 and \$1,020 will be charged to your account. No interest will be charged on amount financed (including related promo fee) and equal monthly payments are required on promo purchase until it is paid in full. The payments equal the initial amount financed, (including related promo fee) divided by the number of months in the promo period, rounded up to the next whole dollar. Any estimated monthly payments may be shown as rounded up to the next whole dollar (for ease of display) or may be shown rounded up to the next cent. See your billing statement for your actual required equal monthly payment, which will be rounded up to the next cent. These payments may be higher than the payments that would be required if this purchase was a non-promo purchase. During the last month(s) of the promo period the required monthly payment may be reduced due to the prior months' rounding. Regular account terms apply to non-promo purchases. New Accounts: As of 7/16/2024 Purchase APR is 34.99%. Penalty APR is 39.99%. Minimum Interest Charge is \$2. Existing cardholders: See your credit card agreement terms. Subject to credit approval.
