# An Inside Look

Our products are made in the USA with a focus on using American suppliers and local artisans. Consumers can be confident that we use only the best construction methods and materials available.

## Custom-Made in USA *Inspired by the World*

- a** Double padding of foam, on arms and backs, ensures luxurious comfort.
- b**  Heavy gauge, resilient back springs provide proper support, comfort and durability.
- c** Kiln dried hardwoods and high-tech manufactured board products, with a lifetime warranty, ensure durability and support.
- d**  Double-cone, machine-tied S3 (Soft Seating System) coil springs provide outstanding comfort.
- e** Mortise-and-tenon joints are a hallmark of quality furniture construction.

- f**  Qualux® Ultra is the best seating foam available. We give it a lifetime warranty.
- g** Comfort packages for backs and seats offer options for exceptional personal comfort.
- h**  Three sizes of dome nailhead trim available in 4 colors. We also have specialty nailheads for a designer look.
- i** Extra padding attached on seat deck for added comfort and support.
- k**  Solid hardwood legs available in a large selection of stain and painted finishes.

# Build Your Own

Customize your living room when you build your own sofa, chair, or sectional. Create your own perfect silhouette by choosing styling details for the arm, seat, back, and base. We will build it to your selections. There's more...you can also design your own recliner, ottoman, and bed.

## Discover all the Build Your Own collections!

# Customer's Own Material

We understand the importance of getting the right upholstered piece to complete a room. We offer approximately 1000 beautiful fabrics and leathers.

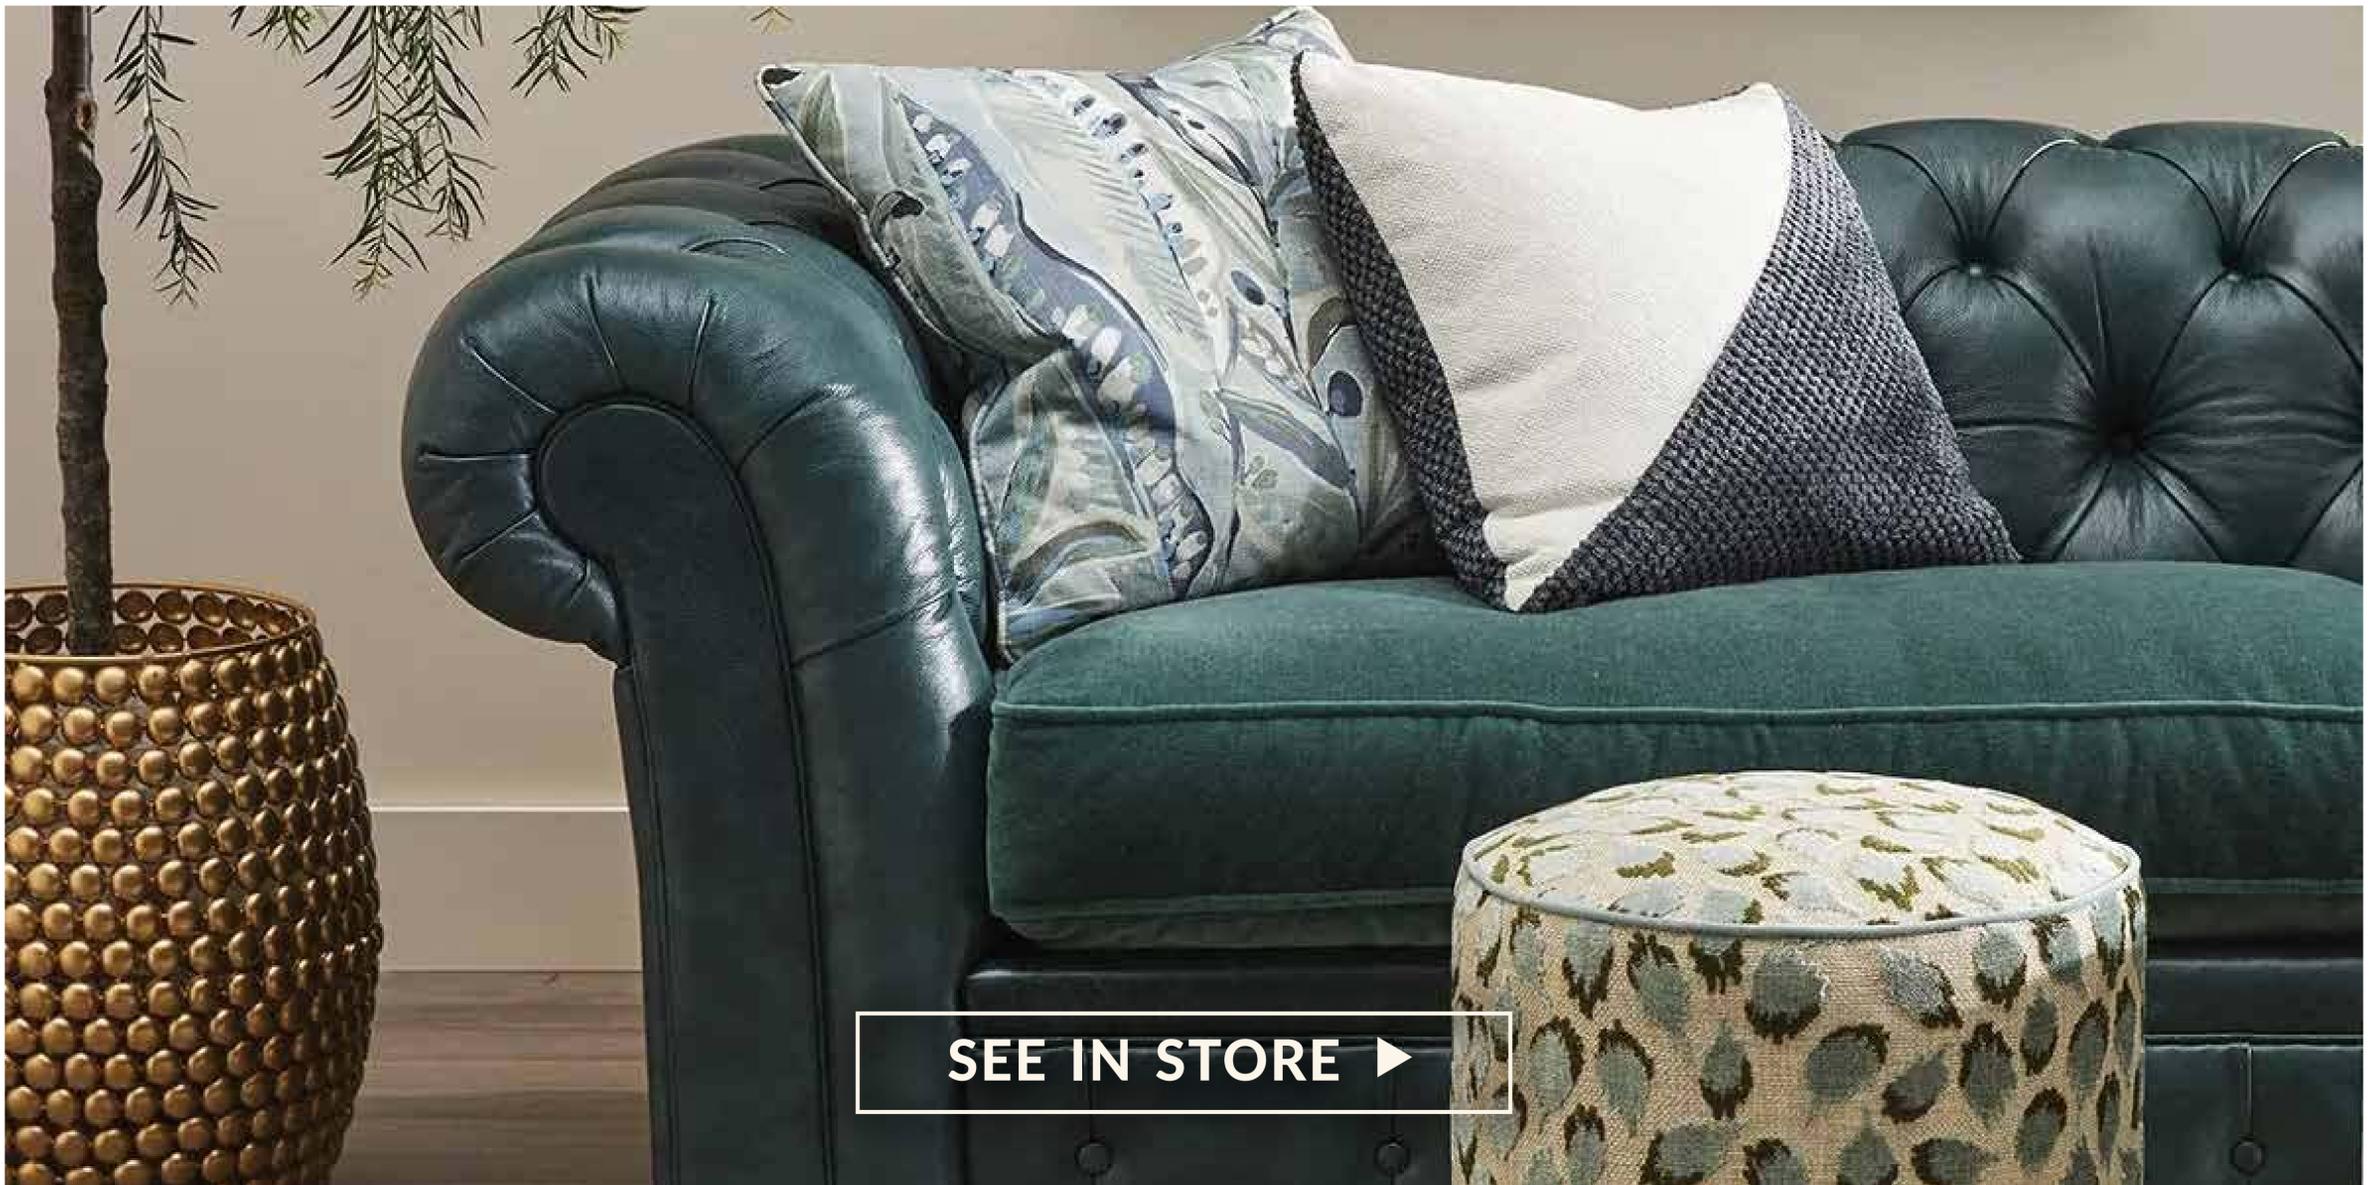

In addition to the covers in our line, we will also build furniture with fabric or leather provided by the customer. Our COM program allows you to use your own material to cover the frame of your choice!

# American Made

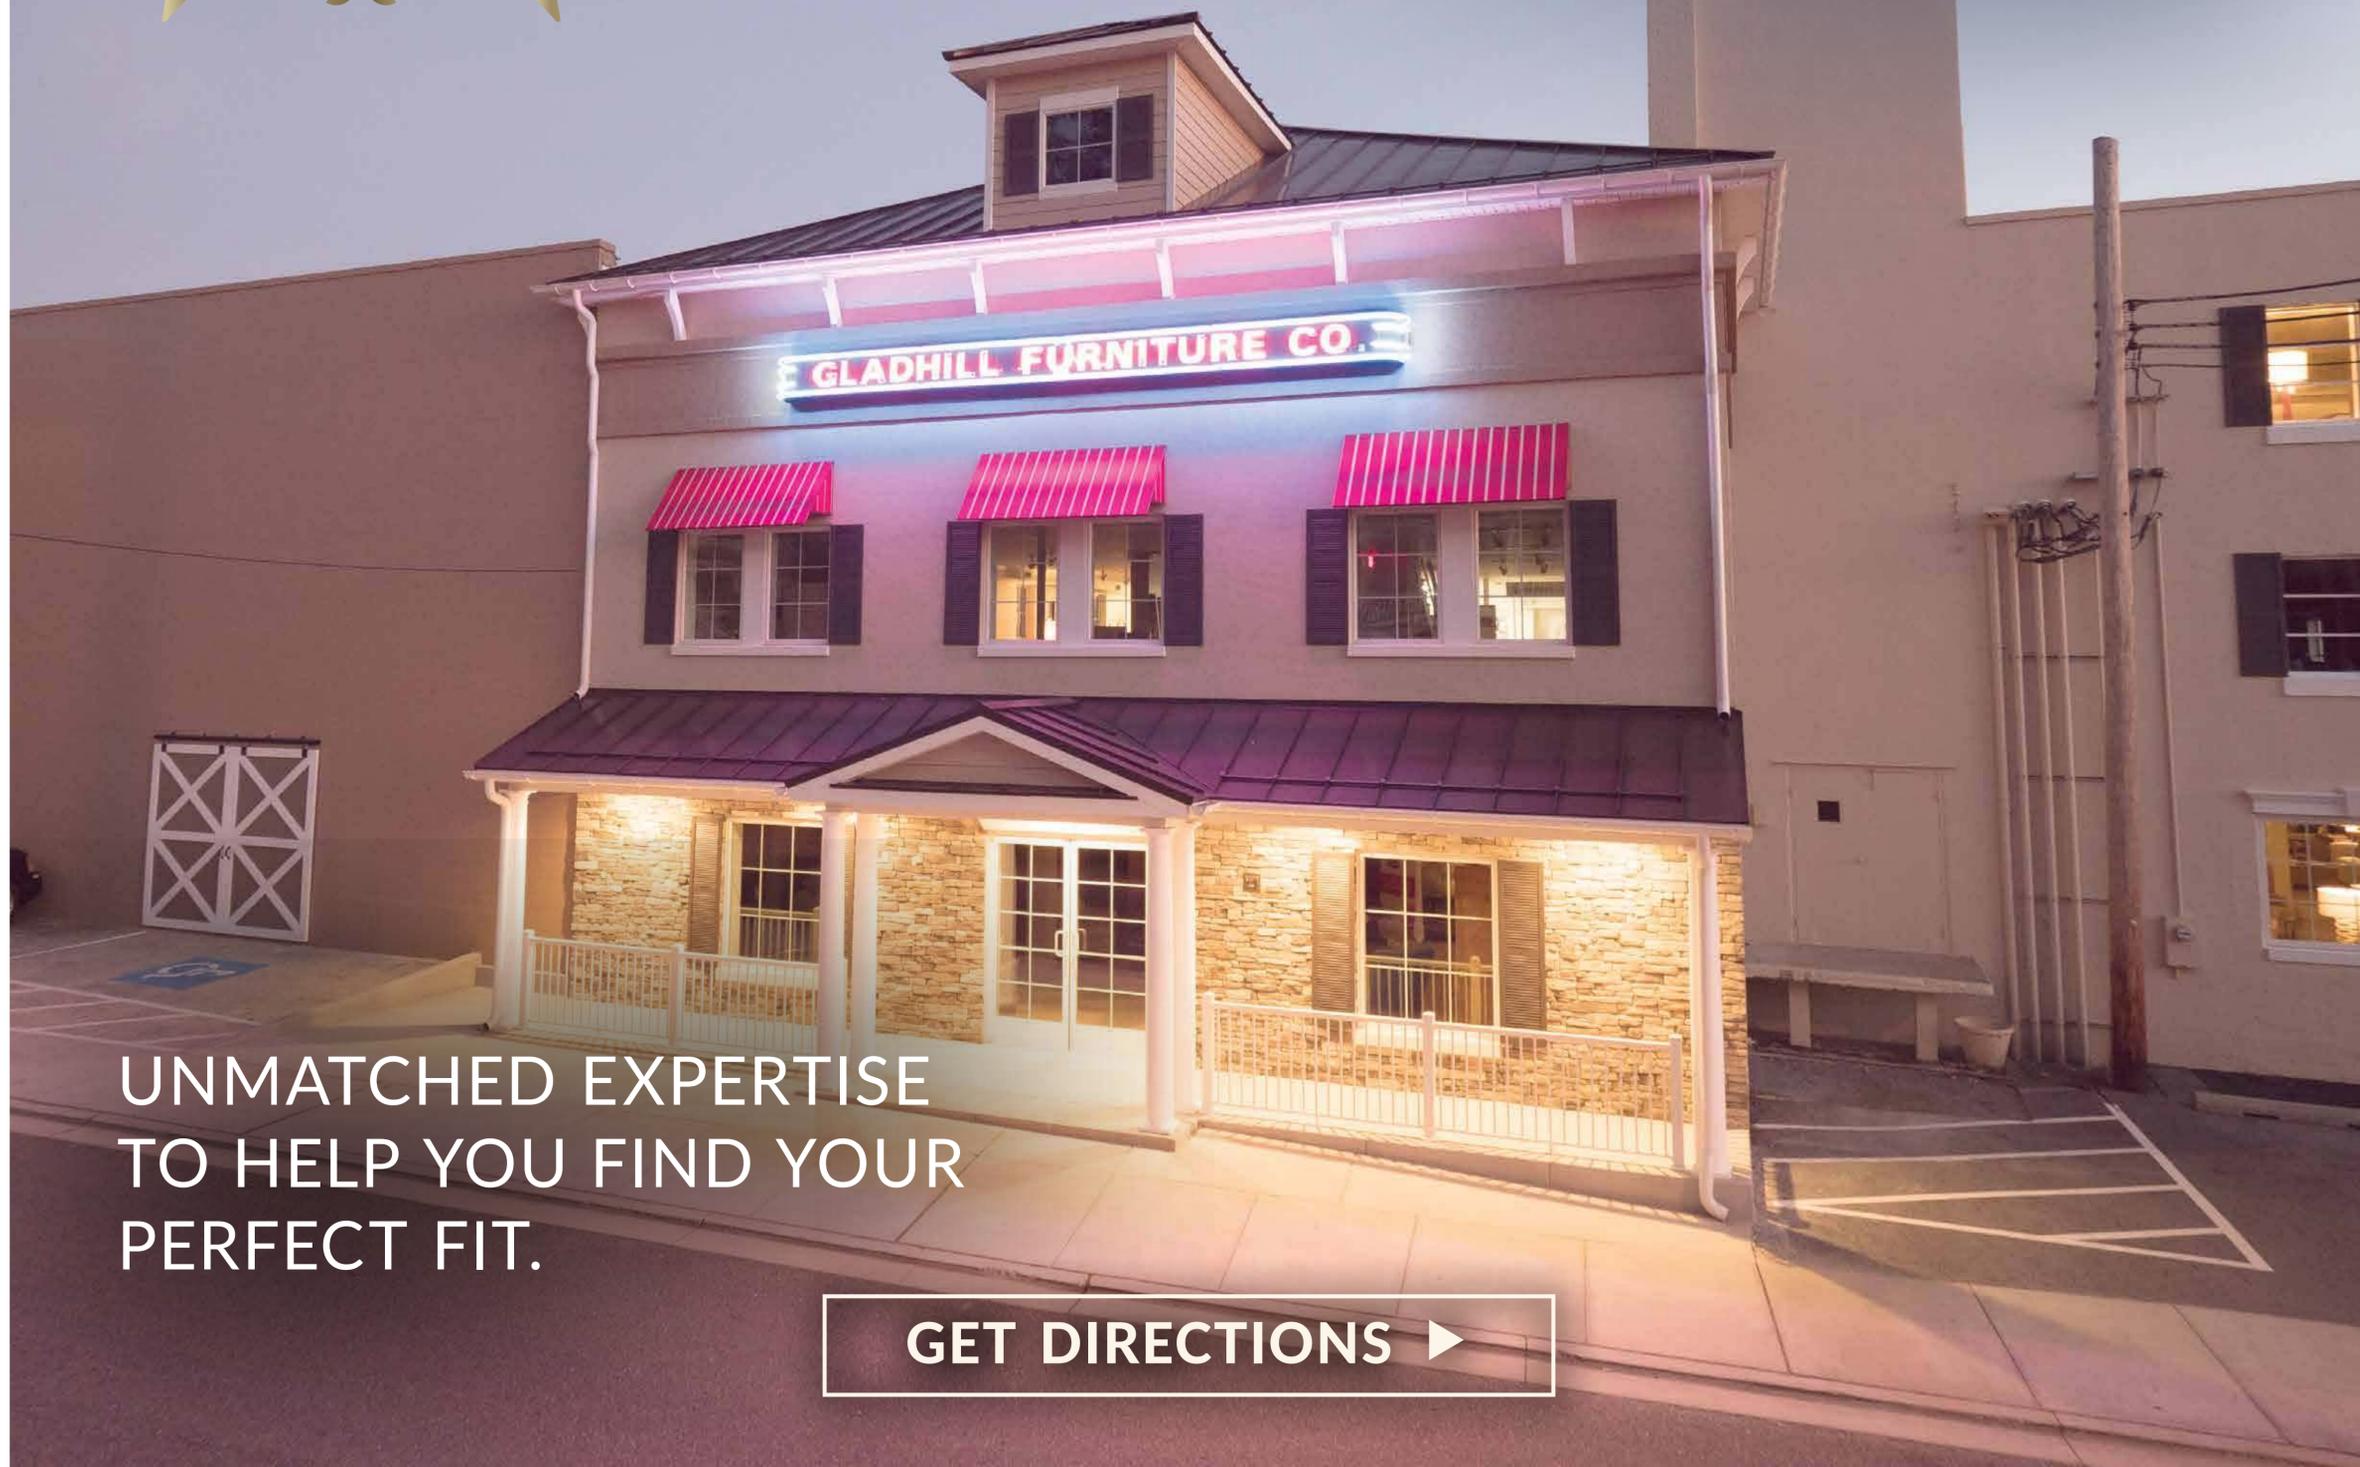

We proudly manufacture American made high quality custom upholstery furniture in Norwalk, Ohio. Located halfway between Detroit and Cleveland on Lake Erie. We are people who like to “make things” and we are especially proud to be a part of the current “maker movement” in America. So you can rest assured that you are getting a good, safe, quality handcrafted product. We feel products made in the USA are far superior than imported goods.
