The Kloss family began in the retail home furnishings business in 1976. From day one Kloss Furniture became known for offering fantastic service on top of low, affordable prices. The business continued to grow rapidly until a devastating fire that resulted in a total loss of Kloss Furniture's Highland store in late 1998. Steve Kloss then opened a series of branded stores across the St. Louis area. Unfortunately, due to the recession of 2007, Steve sold all the branded stores. In order to support their hometown and family, Steve and the family decided to turn their warehouse into a showroom called The Tin Shed. Following many years of success with The Tin Shed, the Kloss Family decided to reopen Kloss Furniture stores across the Metro East. Today we are still proud to be family owned with three locations of Kloss Furniture & Mattress and Kloss Outlet in O'Fallon, Highland, and Edwardsville, Illinois. The Kloss Family has always believed that no one does style, comfort, and value like Kloss.
