Cushion options vary by style, ask salesperson for details.

Smith Brothers

Seats are based on ILD numbers. (Indentation Load Deflection) See catalog for what frame has what ILD seat cushion as standard. Although it is not recommended, you may firm up your seats one ILD for an upcharge. When doing so the backs will also be made firmer to match. We will not accept orders requesting a softer seat foam.

ILD 18 is Moderately Soft
ILD 26 is Most Firm

ILD 22 is Moderately Firm
ILD 31 Extremely Firm (only available on a few items)

Back Cushions: In place of the standard polyester fiber, foam backs may be ordered on select frames.

*Bliss Down and Bliss Spring Down are available on all upholstered frames, except tight seat/back.

CUSHION CARE To maintain cushions, simply reverse and switch cushions every few months so that they experience equal wear. All cushions are environmentally-safe and guaranteed for life.

RELAXED DOWN CUSHION CARE To maintain the down appearance of this cushion, it must be fluffed and turned every two weeks.

95/5 DOWN MULTI-BACK & THROW PILLOWS A premium, luxurious down pillow, consisting of 95% down and 5% white down is standard on multi-back pillows and throw pillows. Refer to the Upholstery Price List for additional throw pillow options and prices.
