MADE IN VERMONT

A SERENDIPITOUS FIND

She found Copeland Furniture. Mid-century modern. Solar-powered craftsmanship. Built in Vermont. Built with pride.

EVERYDAY ELEGANCE

Low-maintenance lacquer. Zero-VOC finish. Furniture that aged beautifully—like family heirlooms.

A NEW CHAPTER

When Emma moved into her first Vermont home, she wanted more than furniture—she wanted stories.

MORE THAN LOOKS

The warm, hardwood lines weren't just stylish. They whispered tradition. Strength. Sustainability.

HOME, FINALLY

At her first dinner party, laughter bounced off maple grain. That's when she knew—this wasn't just décor. It was home.
