A Legacy of Home Since 1915

Founded in 1915 in Pelham, Georgia, Turner's has grown from a small hardware store into a five-generation family business serving South Georgia and North Florida. Through every season of growth, one thing has remained the same: a commitment to quality, service, and helping families create homes they love.

1915

M.W. Turner opens a hardware store in Pelham, Georgia, beginning the Turner's story.

~1929

M.W. Turner Jr. joins the business, marking the second generation of leadership.

1959-1961

Expansion to Tifton; the 3rd generation (M.W. Turner III and brother Scott) joins.

1976

The Valdosta location opens, setting the stage for regional growth.

1988-1990

4th generation — Fortson, Austin, and Scott — joins Turner's.

1991-2000

Launch and growth of the Budget concept in Valdosta, Tifton, Albany, and Moultrie.

2003

Distribution Center established to keep more inventory in stock and speed delivery.

2009

Named Georgia Trend's Family-Owned Business of the Year.

2010-2014

New locations open in Beachton and Tallahassee.

2016-2018

Distribution Center expansion and the Warner Robins store opens.

2022

Valdosta showroom expansion with more space and more style.

2023-2024

Whit and Wright Turner join the business—the 5th generation continues the legacy.
