NATURE, ARTFULLY REVEALED.

Rich burl veneers set the tone for a dining space where natural beauty meets sculptural design. Paired with softly upholstered seating and warm, tonal finishes, the Arc Dining Table creates an inviting centerpiece with depth, character, and quiet sophistication.

THE ARC DINING TABLE

Sculptural form and richly figured walnut burl veneers give the Arc Dining Table its striking presence. Its softly rounded silhouette and architectural pedestal base highlight the natural movement of the wood, creating a dining centerpiece that feels both substantial and beautifully refined.
