# Tom Wright Named Citizen of the Year by Effingham Daily News

Wright's Furniture and Flooring is proud to celebrate a very special honor for one of its own. Tom Wright has been named Citizen of the Year by the Effingham Daily News, recognizing his outstanding dedication, leadership, and service to the community.

The Citizen of the Year award highlights individuals who go above and beyond to make a meaningful impact in the area, and Tom exemplifies that commitment in every way. As a business leader, Tom has helped Wright's Furniture and Flooring grow into a trusted local staple. But beyond the showroom, his passion for serving the community is what truly sets him apart.

Tom has long been an active supporter of local initiatives, community events, and charitable organizations. Whether volunteering his time, supporting local schools and nonprofits, or encouraging community development, he consistently works to make our region a better place to live and work.

The team at Wright's Furniture is incredibly proud of Tom and grateful for the example he sets—not only as a business owner, but as a neighbor and friend. His recognition as Citizen of the Year is a testament to his integrity, generosity, and unwavering commitment to the people of our area.

## Meet Sharon White .....

Working in the field you love is a blessing. I started working with Wright At Home Interiors as a drapery fabricator. In January 2013, I did a major career change and went to drapery fabrication school in Charlotte NC. July 2014, I joined Wright At Home as a sales and design consultant.

Throughout the years I have been able to help many customers with window treatments, flooring, showers and sometimes furniture. My favorite is, of course, window treatments and using my experience as a fabricator to provide the best service.

I have been married to my wonderful husband, Jeffrey White, for 36 years. We have two children, Britney Helmuth (husband Kyle) and Kathryn White. We also have two beautiful but busy grandchildren, Walter age 5 and Ellanore age 3.

Besides spending time with grandkids, taking trips with Jeff, I still love to sew and play pickleball.

I have much to be thankful for. I have made many friendships over the years with co-workers and customers, past and present.
